## **PARTICIPATION AS DELEGATES & SPEAKER – OTHER THAN ONGC**

**Well Control Conference-2017** with a theme “**Well Controlled Wells for Enhanced Production**” is being organized by Crisis Management Team of Oil and Natural Gas Corporation Limited under the aegis of Rajahmundry Asset during 17<sup>th</sup> and 18<sup>th</sup> March 2017 at Visakhapatnam, India.

The participants will be senior ONGC officers directly connected with drilling & work over operations, the event will mainly focus on technical presentations highlighting recent developments in technology & techniques, crisis management systems, well control and well control equipment and a wide variety of topics.

Industry professionals other than ONGC and service providers in the field of well control and blowout control, representatives of well control equipment manufacturing companies are also invited as a delegate or speaker to attend this conference. Proactive question-answer sessions, prompt discussion by the industry experts and leading well control equipment manufacturers will be the added advantage.

The registration fee applicable to delegate other than ONGC is **INR 15000.00** or USD 250(for overseas delegates) per delegate and there is no registration fee for selected speakers. The Demand draft to be issued in favour of F&AO ONGC, Rajahmundry.

**Please note that free registration facility will be extended only to those speakers, whose paper is selected for technical proceedings.**

We are confident that the participation of professionals, distinguished delegates and speakers from India and abroad in this Conference will bring out the methodologies, strategies that are useful in combating crisis and identify the means to avoid such incidents.
