**Sub:** Collection of data from Micro and Small Enterprise (MSE) sub-contractors and entry in ICE system.

**Ref:** Circular No. 44/2017 dt. 20.09.2017 on the above subject.

The circular referred to above was issued for informing availability of a program with T-code ZMM\_SUBCONTRACT for facilitating entry of details of MSE sub-contractors in ICE. It was requested that to start with, for Q-I and Q-2 of the fiscal year 2017-18, the data upto 30<sup>th</sup> September 2017 is to be entered in the system by 15<sup>th</sup> of October 2017.

It is to be noted that procurement from MSE sub-contractors contributed approximately ₹300 crores to the total procurement of ₹1,091 crores from MSEs in the previous FY-2016-17. Hence, this information is vital for meeting procurement targets from MSEs.

This issue figures prominently in the regular reports sought by the Ministry and also the upcoming CPSE conclave. Hence, it is requested to ensure that data for procurement from MSE sub-contractors is entered in the ICE system by 15<sup>th</sup> October 2017 for Q1 & Q2 of FY 2017-18.
