Offshore Engineering Services (OES)

June 2021

Projects under Tendering

Projects under Tendering

Sl. No.	Project Name	Schedule Completion	Details
1	Repair & Strengthening of Subsea Facilities Project	15.05.2022	<ul style="list-style-type: none">• Free-Span Correction of Sub-sea pipelines.• Under water Jacket strengthening of Platforms
2	Protective Coating of Process Platform-I (PCPPI)	15.05.2023	Maintenance painting and Structural repair/replacement jobs below Cellar deck at the 7 Process Complexes of Western Offshore
3	Protective Coating of Well Platform Project-III (PCWPP-III)	15.05.2023	Maintenance painting (-I MSL to top of topside) and minor repairs/replacements of 46 unmanned wellhead platforms (WHP) of Western Offshore

Upcoming Projects / Schemes

Upcoming Projects / Schemes

Sl. No.	Project Name	Broad Scope of Work	Purpose
1	Daman Upside Development Project Scope	<ul style="list-style-type: none"> • 4 well head platform • One process platform bridge connected to existing B-12-11 well platform • One living quarter platform bridge connected to Process Platform • Flare tripod • Sub-sea pipelines • Modification at TCPP, TPP & B-12-11 platform <p>Note: Scope of work has not been finalized yet and is being reworked/reviewed</p>	Oil/ Gas
2	PRP- VII	<ul style="list-style-type: none"> • 274.31 Kms of pipeline and associated riser replacement 	Revamp
3	Ratna Process Platform	Ratna Process Platform (RPP), Bridge connected with existing R-12A Platform	Oil/ Gas

Upcoming Projects / Schemes

Sl. No.	Project Name	Broad Scope of Work	Purpose
4	GK-28/42 & GS-OSN-2004/I Offshore Scope	<ul style="list-style-type: none"> • 4 new well platforms • Reuse of 2 existing WHPs under PMT JV • One MOPU (Sagar Pragati) bridge connected to upcoming WHP • Sub-sea pipeline 	Oil/Gas
5	GK-28/42 & GS-OSN-2004/I Onshore Terminal	<ul style="list-style-type: none"> • Slug catchers, KODs • N2 removal system (membrane based) • CO2 removal system (membrane based) • Booster compressors • Condensate stabilization system • Custody meter for gas & condensate • Produced water treatment plant • RO plant for utility & potable water • Switch yard for sourcing power from grid 	Oil/Gas
6	Protective Coating of Process Platform - II (PCPP-II)	<ul style="list-style-type: none"> • Maintenance painting and Structural repair/replacement jobs below Cellar deck at the 6 Process Complexes of Western Offshore 	Painting/Revamp

Upcoming Projects / Schemes

Sl. No.	Project Name	Broad Scope of Work	Purpose
7	BWSRP project	Replacement of: <ul style="list-style-type: none">• Barge bumpers, riser protectors, boat landing, grating, handrail, structural members, boat fenders, etc.• WHRU, Sump Cassion, Heat Exchangers• SBM	Revamping
8	Platform Makeover Project (PMP)	<ul style="list-style-type: none">• Repair/ replacement of grating, handrails. structural members and chequered plate on well platforms	Revamping

Participation of Bidders

- **Stress** on
 - Technological innovation
 - Quality
 - Cost optimization
- On-time Project Completion
- Impetus on safe & environment friendly practices
- To benchmark our tendering & project management practices with Best-in-class global industry standards

- ONGC appreciate Bidders for
 - Increased participations
 - Valuable suggestions
 - Enhancement of healthy participation
 - Improving bidding procedure

- Bidders participation is solicited in the upcoming tenders.
- Tenders are available at “<https://tenders.ongc.co.in>”
- Address of Offshore Engineering Services , Mumbai :

Executive Director – Chief Offshore Engineering Services
4th Floor, 11 High, ONGC Office
Bandra Sion Link Road, Sion (West)
Mumbai-400017
Ph: 022-24088422
Fax: 0091-22-24088500

Thank you
