<b>Sub</b>	<b>:</b> <b>Changes made by Union Budget 2022-23 as relevant for ONGC Operations</b>	

The Hon'ble Finance Minister presented Union Budget for the year 2022-23 before the Parliament on 01.02.2022. The important amendments relevant to ONGC Operations are as under:

**1. Import of 'specified goods' by 'specified person' in relation with Petroleum Operations:**

Presently, the import of specified goods required in connection with petroleum operations, attract concessional rate of 5% duty (i.e. BCD-Nil & IGST-5%), subject to submission of Essentiality Certificate (EC) issued by DGH in terms of Sl. No. 404 (Condition-48 & List-33 containing such specified goods) of Customs Notification No. 50/2017-Cus. Further, the transfer & disposal of such imported goods are also subject to certain conditions including the requirement of a certificate (NoC) from DGH.

Now, the Govt. vide Customs Notification No. 02/2022-Cus dated 01.02.2022 (effective from 02.02.2022), has amended the said Condition No.-48 alongwith List-33 of the said Notification No. 50/2017-Cus, *inter-alia*, to simplify the associated conditions. Accordingly, as per the amended conditions:

- in case of direct import of 'specified goods' in relation with petroleum operations by ONGC, a document (such as copy of PEL/ML) evidencing that ONGC falls in the category of a 'specified person' would be required to be submitted to the concerned Customs Authorities alongwith a suitable undertaking for making payment of duty, fine or penalty that becomes payable, if any of the conditions of the notification are not complied with;
- in case of import of 'specified goods' in relation with petroleum operations by a 'sub-contractor' as defined (i.e. Contractor of ONGC), a certificate issued by a senior official of ONGC; who is duly authorised by the Board of Directors of ONGC to issue such a certificate, would be required to be submitted to the concerned Customs Authorities certifying that the goods are intended for specified purpose. Further, a suitable undertaking from ONGC as well as such

sub-contractor, would also be required to be submitted to such Customs Authorities for making payment of duty, fine or penalty that becomes payable, if any of the conditions of the notification are not complied with;

(c) in case of transfer of such imported good by ONGC or by its said sub-contractor (i.e. transferor) to any other specified person (i.e. transferee) or vice-versa:

- (i) the transferor shall intimate to the concerned Customs Authorities about such transfer and get himself discharged in respect of such transfer of goods; and
- (ii) the transferee shall submit a suitable undertaking to comply with the Conditions of the notification, as if such transferee is the importer of these goods OR where such transferee is a sub-contractor of another lessee or lesser or licensee or contractor, then such another person shall also give an additional undertaking to make himself liable for payment of duty, fine or penalty in case such sub-contractor fails to comply with the Conditions of the notification;

(d) in case the goods so imported are sought to be disposed after their use in unserviceable form or as scrap, the importer or the transferee, as the case may be, shall dispose of these goods, through MSTC, or any other Govt. Agency, as notified by the Central Govt. for this purpose, by paying a duty @ 7.5% of the transaction value of such goods. Further, as per Explanation to the amended Condition No-48, the goods imported on or before 01.02.2022, claiming concessional rate of duty, *inter-alia*, under any preceding exemption for such goods, are to be disposed off on or after 02.02.2022, may be disposed off in accordance with clause (d) of such amended Condition No-48 of the notification.

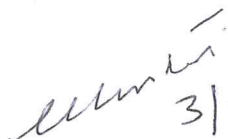

The relevant portion of the amended notification alongwith revised list of specified goods is annexed herewith for legal compliance purposes **(Annexure-I)**. Further, the necessary instruction on procedural aspects such as authorization of senior officials for issuance of certificate as well as submission of undertaking etc. is being issued by Office of Chief MM, ONGC Delhi.

It is also pertinent to mention that there is no change in the procedure for domestic procurement of specified goods on which benefit of concessional rate of 5% GST is being availed in terms of GST-Rate Notification No. 3/2017 i.e. the existing practice of obtaining EC from DGH for domestic procurements would continue till the amendment under GST Law, if any.

## **2. Other relevant changes under GST Law:**

Finance Bill 2022-23, has proposed certain changes under GST Law which shall be made effective from the date of notification. The same would be intimated through separate circular in due course after issuance of notification by the Govt.

This is for necessary compliance, as applicable.
