

## **Citu starts 238-km march to save PSUs**

**Chittaranjan (WB):** The CITU, the trade union wing of the CPI(M) on Saturday started a 238-km long march from Chittaranjan in West Burdwan district to Kolkata to protest the Centre's decision to privatise Central public sector units. The 283-km long march of the Centre of Indian Trade Unions (CITU) will culminate with a public meeting in Kolkata on December 11. The march started from the Chittaranjan Locomotive Factory, a railway undertaking with the slogan "Save Public Sector", to protest the Union governments decision to sell stake and privatise public sector undertakings.

### **GAIL to supply PNG in Doon to 300,000 households**

GAIL Gas will supply PNG to 300,000 households in Dehradun district under the city gas distribution project. GAIL Gas Managing Director V Gautam said work on laying pipelines for the project will begin in a month.

The target is to cover 300,000 households spread over an area of 3,088 square km in the district at a cost of ₹1,500 crore in the next eight years.
