No. DLI/Corp-MM/ GST/Payment/2017-18

Dated: 18.08.2017

From: ED-Chief MM Services, Corporate MM, Delhi

To: All Key Executives

Sub: Payment of invoices to indigenous suppliers without tax component

The PMC circular on GST is under advance stage of finalisation. In absence of the same, Corporate MM/work centres would not be able to take up PO/RC amendments towards GST.

However, some of the suppliers have already delivered the items whose payment is pending for want of amendment towards GST in purchase order. Further, some of the suppliers have intimated that they will be forced to stop the production which may affect our operations.

In view of above, all the work centers are advised to release the payment of undisputed and clear invoices(except tax component) pending the POs/RCs amendment which shall be taken up immediately upon issue of PMC circular.
