Sub: Submission of six monthly compliance report – period: 01.01.2016 to 30.06.2016.

Sir,

Please find enclosed the six month compliance report for the period 01.01.2016 to 30.06.2016, for exploratory wells drilled under the following ECs, along with the data sheets.

Sl no.	EC number and date	Total wells in EC	Wells drilled during 01.01.2016 to 30.06.2016
1	J-11011/102/2012-IA II(I), dt: 22.08.2013	182	5
2	J-11011/431/2011-IA II(I), dt: 25.06.2014	67	7
3	J-11011/125/2011-IA II(I), dt: 18.09.2014	103	3
4	J-11011/1/2011-IA II(I), dt: 25.09.2013	10	2

Further, it is clarified that all the above mentioned ECs are of new projects and not for any expansion/modification as asked vide MoEFCC Bhopal's letter no. 5-60/2013/(ENV)/481, dt: 16.05.2016.

ONGC approached MOEFCC Delhi for amendment to J-11011/125/2011-IA II(I), dt: 18.09.2014, for exploratory drilling of 29 wells in Mehsana – Patan districts of Gujarat. However, MOEFCC treated this as a fresh case and issued TOR dt: 26.04.2016, for EIA studies.

Also, ONGC approached MOEFCC for amendment in ECs mentioned in sl no. 1,2,3, for drilling 11 shale gas wells in 4 districts of Gujarat. The EAC has however recommended the proposal as a fresh case and TOR for the same is awaited from MOEFCC soon.

As one of the points in TOR dt: 26.04.2016, (mentioned in Additional TOR, point no iii), a certified report by RO MOEF on status of compliance on existing ECs is to be provided in EIA reports.

In view of above, it is kindly requested to issue compliance certificates of the three ECs mentioned at sl no. 1,2,3.

Submitted please.

With warm regards,
