Circular No. 33 /2016

No: MAT/PMC/13(87)/2016

Dated: 12.08.2016

Sub: System improvement measures for stipulating completion period.

Reference is invited to para 5.1.6 of Integrated MM Manual which stipulates that while specifying mobilization/delivery/completion period in the tenders, a realistic approach should be adopted by taking into account the experience gained during the past in similar type of tenders.

In spite of above guidelines, instances of stipulating unrealistic completion period have come to notice.

In the interest of better competition & avoiding cost overrun, all concerned are advised to comply the aforesaid provision mentioned under para no. 5.1.6 of Integrated MM Manual meticulously.
