Dear Member(s),

We are pleased to inform you that, the Board of Directors of Oil and Natural Gas Corporation Limited, at its Meeting held on January 31, 2025, has declared 2<sup>nd</sup> Interim dividend of ₹5 per equity share of ₹5/- each (i.e. 100% of face value) which will be paid based on your shareholding as on the Record Date, i.e. Friday, 7<sup>th</sup> February, 2025, fixed for this purpose.

As you are aware, dividend payable to a shareholder is taxable in his hands and is subject to Deduction of Tax at Source (TDS) as per the provisions of the Income-tax Act, 1961. Therefore, Company shall be required to deduct tax at source (TDS) at the time of making the payment of the dividend, if approved, at the AGM of the Company.

Applicable TDS rates, vary depending on the residential status, category of the shareholder and is subject to submission of requisite declarations / documents to the Company.

Statutory provisions in this regard and the documents / information desired from the shareholders have been brought out as under:

**A. TDS deduction on Dividend**

In accordance with the provisions of the Act, as amended by the Finance Act, 2020, with effect from April 1, 2020, dividend declared and paid by a company is taxable in the hands of the Members, and, accordingly, the company is required to deduct TDS thereon at the rates prescribed by the Act.

No TDS shall, however, be deductible on dividend payable to a resident individual shareholder if the amount of such dividend, or the aggregate of the amounts of such dividend, paid during the relevant financial year (i.e. FY 2024-25) does not exceed ₹ 5,000.

TDS is also not required to be deducted on dividend payable to:

- i. The Life Insurance Corporation of India established under the Life Insurance Corporation Act, 1956, in respect of any shares owned by it or in which it has full beneficial interest;
- ii. The General Insurance Corporation of India (Corporation) or to any of the four companies, formed by virtue of the schemes framed under sub-section (1) of Section 16 of the General Insurance Business (Nationalization) Act, 1972, in

respect of any shares owned by the Corporation or such company or in which the Corporation or such company has full beneficial interest;

- iii. Any other insurer in respect of any shares owned by it or in which it has full beneficial interest;
- iv. The Government;
- v. The Reserve Bank of India;
- vi. A Corporation established by or under a Central Act which is under any law for the time being in force exempt from income tax on its income; or
- vii. A mutual fund specified u/s. 10(23D) of the Act.

**B1. Applicable rates of TDS on Dividend**

In the cases of resident shareholders, the applicable TDS rate on dividend as prescribed by the Act is 10%. However, if the shareholder does not furnish its Permanent Account Number (PAN), TDS would be deductible at the rate of 20% (being higher than 10%) as per the provisions of section 206AA of the Act.

In the cases of non-resident shareholders including Foreign Institutional Investors ('FIIs') and Foreign Portfolio Investors ("FPIs"), TDS on dividend would be applicable at the rate of 20% (plus applicable surcharge and health and education cess).

**B2. Applicable TDS rates in the cases of PAN not linked with AADHAAR**

As per Section 139AA of the Income Tax Act, every person who has been allotted a PAN and who is eligible to obtain AADHAR, shall be required to link the PAN with AADHAR. In case of failure to comply this, the PAN allotted shall be deemed to be invalid / inoperative and tax shall be deducted at the rate of 20% as per the provisions of section 206AA of the Act

**B3. Applicable TDS rates in the cases of non-filers of Return of Income**

As per the provisions of Section 206AB of the Act, if any TDS is deductible from a "specified person", then, TDS would be deducted at **higher** of the following rates-

- (a) Twice the rate specified in the relevant provision of the Act;
- (b) Twice the rate or rates in force;
- (c) At the rate of 5%.

For the above purpose, "specified person" means a person, being a resident or a non-resident having a Permanent Establishment (PE) in India,-

(i) Who has not furnished the return of income for the assessment year relevant to the previous year immediately preceding the financial year in which tax is required to be deducted. For this purpose, the assessment year would be reckoned to be the one for which time limit for filing Return of Income under sub-section (1) of section 139 has expired; and

(ii) The aggregate amount of TDS deducted and TCS collected in the case of such person is ₹ 50,000 or more in the above referred previous year.

Accordingly, if, at the time of deducting TDS, the status of a resident shareholder or a non-resident shareholder (having a PE in India), as shown by the system of the Income-tax Department, is “specified person”, TDS would be deductible at twice the normally applicable rate or 5%, whichever is higher.

Further, if owing to non-availability of PAN of a shareholder who is a “specified person” under section 206AB of the Act, the provisions of section 206AA are also applicable, TDS would be deductible at the rate applicable under section 206AA or under section 206AB of the Act, whichever is higher.

In the cases of resident shareholders, if PAN of a shareholder is not updated, it shall be assumed that the shareholder is a “specified person” for the purpose of section 206AB of the Act and TDS would be regulated accordingly.

Thus, if a non-resident shareholder, who is otherwise liable for higher TDS under Section 206AB, submits a duly signed and verified declaration confirming that he/she does not have a PE in India, the provisions of Section 206AB would not come into play and TDS would be deductible at the normally applicable rate. In absence of such a declaration, TDS would be regulated as per the provisions of section 206AB of the Act.

#### **C. Transferring credit to the beneficial owner**

In cases where the shareholder is merely a custodian of the shares and, accordingly, not the beneficial owner of the dividend payable in respect thereof, then, in order to transfer the credit of TDS to the beneficial owner of dividend income, the custodian may provide a declaration prescribed by Rule 37BA of the Income-tax Rules, 1962. The aforesaid declaration shall contain

- i. Name, address, PAN and residential status of the person to whom credit is to be given;
- ii. Payment in relation to which credit is to be given; and
- iii. The reason for giving credit to such person.

#### **D. Submission of application for non/lower deduction of TDS**

The shareholders are required to submit an application to the Company for non-deduction of TDS or deduction of TDS at a lower rate by providing the following document/s to the company:

**(a) Resident Shareholders**
