Subject: Vendor Enlistment & Empanelment on ONGC VR Portal – Important Advisory

As part of ONGC's ongoing Procurement Transformation Initiative, we are pleased to announce the launch of the dedicated Vendor Enlistment & Empanelment Portal, accessible at https://vendor.ongc.co.in.

We sincerely appreciate the encouraging response received from the vendor community. A substantial number of applications have already been submitted and several have been successfully processed. Evaluation of the remaining applications is presently underway.

It has, however, been observed that some vendors are yet to register on the VR Portal. All eligible vendors are strongly advised to submit their applications for all applicable categories/line items, subject to compliance with the prescribed Bid Evaluation Criteria (BEC).

In alignment with ONGC's vision of enhancing Ease of Doing Business and encouraging wider participation, the management has taken a significant policy decision, as under:

a) Exemption from Earnest Money Deposit (EMD) for vendor enlistment/empanelment, and

b) Future ONGC tenders shall be invited exclusively from enlisted/empanelled vendors, in categories where three or more vendors are enlisted/empanelled.

Considering the above and in the interest of vendors, it is important to note that a minimum of 90 days is required for completing the evaluation of applications submitted for enlistment/empanelment. Vendors are, therefore, advised to submit their applications at the earliest to ensure timely processing and to fully benefit from upcoming procurement opportunities.

We look forward to your proactive participation and to jointly building a stronger, collaborative, and competitive supply ecosystem.
